Grass cutting specification

Areas to cover and frequency

Area	Clarifications	Frequency
Area A – Levens Way Play area	As shown edged red on the map and marked A	From 1 April until 31 October on a fortnightly basis
Area B – The recreational area for teenagers (RAFT)	The area shown edged red on the attached map and marked B	From 1 March until 31 October on a fortnightly basis

Standard of work

- To complete the grass cutting to a standard that is free from undulations and where large amounts of grass are cut the grass mowings must be evenly spread.
- To strim back vegetation encroaching onto each site through fencing.
- Prior to mowing the contractor must pick up any obstructions and remove any non-grass debris from each area at the end of the cut.
- Please exercise care when mowing in the vicinity of members of the public, animals or parked cars
- In the event that it is necessary to strim an area please avoid damage to tree bases by providing a margin of 100mm. Trees damaged as a result of incorrect strimming practises should be replaced at the contractor's cost.

Terms and Conditions

As set out in the Contract.
