22/97: Apologies

Received from Councillors Butland, Crawford and Pritchard.

22/98: Declarations of Interests

Councillor Cunningham declared a non-pecuniary interest as a member of Braintree District Council and as a member of Essex County Council.

Councillor Ricci declared a non-pecuniary interest as a member of Braintree District Council and as a member of the planning committee of that authority.

22/99: to consider and approve Minutes of the Meeting held on 14th November 2022

The minutes of the meeting held on 14th November 2022 were **agreed** by Councillors as a correct record and signed by the Chair.

22/100: Public Question Time

A member of the public complained about noise nuisance from recent events at the Chelmsford City Racecourse. She had tried to follow the complaints process on the City Council website and followed up by speaking to an officer. It would appear that only telephone complaints received on the day are considered and there appears to be a lack of clarity on the website as to how to complain, which complaints will be taken into consideration and the process generally. She was also concerned that the officer had simply referred her back to the Parish Council. It was noted that there is a substantial timetable of events for 2023 and she was concerned that any complaints from residents in Great Notley are therefore simply not being heard. There had been a substantial response on social media regarding the event. Councillors Cunningham and Ricci agreed to take the issue up and report back on the outcome.

22/101: Reports

22/101.1 Report from County Councillor

None.

22/101.2 Report from District Councillor

Braintree District Council is still going through its budget process. They are also due to receive money from the Rural England Prosperity Fund and have yet to decide how that money should be allocated.

22/101.3 Reports from Councillors attending external meetings

None.

22/102: Parish Clerk's Report

The Clerk reported as follows -

- 1. Braintree District Council (BDC) has cleared more fallen leaves along the footpaths and within White Court as a result of residents' complaints
- The Church has sent its thanks for the raffle prize donated for the Christmas tree festival and credit will be provided to the Parish Council for provision of the prize.
- 3. The NGCA has advised that due to heating issues at the hall it is not in a position to host any 'warm space' or community information events until at least next January 2023. I therefore approached the Church and an event is being planned at their venue.
- 4. The work to the tree in the Levens Way play area will be carried out shortly
- 5. Finally, I am listing some matters where no action is required by the Parish Council but where a response is awaited from others.

The Clerk also advised of problems with the delivery of the Great Notley Times and as a result of several residents complaining that they had not received the magazine a complaint had been lodged with Royal Mail. Royal Mail insist that the delivery took place with no issues but admit that there have not been deliveries to Cut Hedge for some time as it is now on a 'walk cross over'. This has not been advised before and Councillors asked that the issue be taken further with Royal Mail and the issue of Royal Mail delivery be considered on a future agenda.

The report was otherwise accepted.
